**About College:** Lok Shiksha Sanstha, Waroda's Lokmanya Mahavidyalaya, Warora, Dist. Chandrapur (MS) was established in 1998 and has undergone the process of NAAC obtaining 'B' grade in the second cycle. It runs UG (Arts & Commerce) and PG (English & Marathi) and Research Centre in English & Marathi. The UGC-NBC with internet facility, well-equipped language laboratory, indoor stadium, computerized library, with rich collection of books and journals, and fully automated administrative office are something the college feels proud of.

**About e-Conference:** Creative writing is any writing that goes outside the bounds of normal professional, journalistic, academic, or technical forms of literature, typically identified by an emphasis on narrative craft, character development and the use of literary tropes or with various traditions of poetry and poetics. The new trends are bound to occur in it. Therefore, this conference aims at discovering such new trends.

**Sub-Themes:**

- ◆ Recent Trends in Indian Literature in English
- ◆ Recent Trends in British Literature
- ◆ Recent Trends in American Literature
- ◆ Recent Trends in Third World Literature (in English)
- ◆ Recent Trends in Advertising, Script, etc
- ◆ Any other relevant theme.

## One day National E-Seminar on "Use of Information technology in Library Services" by Department of Library

### About College:

Lok Shikshan Sanstha, Waroda's Chandrapur (MS) was established in 1998 and has undergone the process of NAAC obtaining 'B' grade in the second cycle. It runs UG (Arts & Commerce) and PG (English & Marathi), and Research Centre in English & Marathi. The UGC-NRC with Internet facility, well equipped language laboratory, indoor stadium computerized library, with rich collection of books and journals, and fully automated administrative office are something the college feels proud of.

### About E-Seminar:-

Information Technology has transformed library Service globally. Due to information explosion, it is very hard to handle large information with traditional tools. There are also new demands and challenges to face the new competition era for librarians and libraries with the introduction of new technology, libraries are expected to use

various types of technology to provide information more quickly & in greater volume than before. Information Technology has changed the way of learning, technical processing, circulation activities etc. In such a way that library readers can get desired information and services effectively in shortest time with

growing fast. Traditional libraries are changing their role & functions according to the new trends in the help of information technology. Without IT any library information centre cannot satisfy the users.

## One day National E-Seminar on "Use of Information technology in Library Services" by Department of Library

### About College:

Lok Shikshan Sanstha, Waroda's Chandrapur (MS) was established in 1998 and has undergone the process of NAAC obtaining 'B' grade in the second cycle. It runs UG (Arts & Commerce) and PG (English & Marathi), and Research Centre in English & Marathi. The UGC-NRC with Internet facility, well equipped language laboratory, indoor stadium computerized library, with rich collection of books and journals, and fully automated administrative office are something the college feels proud of.

### About E-Seminar:-

Information Technology has transformed library Service globally. Due to information explosion, it is very hard to handle large information with traditional tools. There are also new demands and challenges to face the new competition era for librarians and libraries with the introduction of new technology, libraries are expected to use

various types of technology to provide information more quickly & in greater volume than before. Information Technology has changed the way of learning, technical processing, circulation activities etc. In such a way that library readers can get desired information and services effectively in shortest time with

growing fast. Traditional libraries are changing their role & functions according to the new trends in the help of information technology. Without IT any library information centre cannot satisfy the users.
